

Do YOU know what kills MOST AUSTRALIANS OVER 15 and under 45?

Every week about 50 Australians die from suicide (three quarters are male), and about 1,500 attempt suicide (mainly female), mainly in the prime of their lives.

Age	Most deaths are from	Next most common
1 - 14 years	Cancer	Road
15 - 24 years	Suicide	Road
25 - 34 years	Suicide	Poisoning
35 - 44 years	Suicide	Cancer
45 - 54 years	Cancer	Heart
55 - 64 years	Cancer	Heart
65 - 74 years	Cancer	Heart
74 - 84 years	Cancer	Heart
85 & Over	Heart	Arterial
